International Financial Reporting Standards (IFRS)

INTERNATIONAL FINANCIAL REPORTING STANDARDS (IFRS)

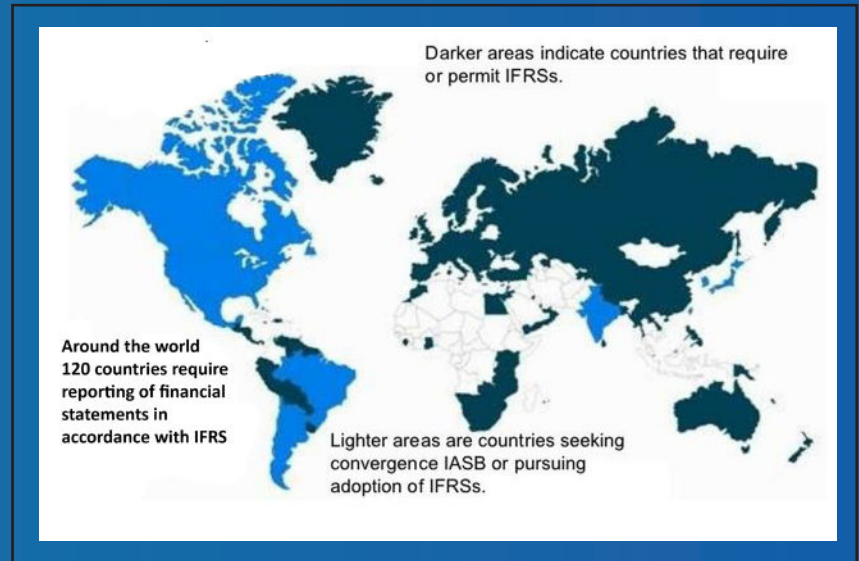

International Financial Reporting Standards are a set of accounting standards developed by the International Accounting Standards Board (IASB) to bring uniformity across countries to make reporting of financial statements more relevant, transparent and comparable. Domestic companies that aim to raise capital from the international markets need to present their financial statements as as per International reporting standards.

Knowledge of IFRS is essential for those aspiring a career in accounting as it forms the base for preparation of financial statements, internationally

GLOBAL TRENDS

72% of the G20 economies requires use of IFRS (US, European Union, Japan, Canada, India etc.)

27,000 listed companies on 88 major stock exchanges use IFRS

BENEFITS OF STUDYING IFRS

- Various IFRS profiles are being offered in several sectors of the industry that include ITES, software, pharmaceutical, auto spare part, professional advisory companies, auditing firms, banking industry, Insurance industry, KPOs, etc.
- Skilled and experienced IFRS experts can establish their own consultancies to help companies migrate to IFRS.
- Practical knowledge of these universal standards will open doors across the globe as more than 100 countries have given the green signal for adopting or converging to IFRS.
- Application of these standards is complex and time consuming which underlines the significance of IFRS professionals.
- Continuous amendments in these standards by regulators is creating need for IFRS professionals with thorough understanding of these standards.

IFRS CERTIFICATION FROM NSE ACADEMY

IMS Proschool in association with NSE Academy offers IFRS Certification. Our program teaches IFRS with practical approach and examples. This program also prepares the candidates for certifications in Ind – AS and Cert/Dip IFRS, ACCA, UK.

IND AS AND IFRS

India, at the moment follows accounting standards as issued by ICAI. With the acceptance of IFRS globally, the ministry of corporate affairs, India, has notified convergence of existing Indian Accounting standards with IFRS, known as Ind-AS effective from financial year 2016-2017 in three phases.

Convergence means alignment of accounting standards issued by different institutes, in this case Ind-AS and IFRS, by adopting IFRS either fully or partially.

Most of the principles followed in Ind-AS are similar to IFRS. Hence completing IFRS certification would train candidates in Ind -AS too.
