What is CFA[®]?

The Chartered Financial Analyst (CFA) program is a postgraduate professional certification offered internationally by the US-based CFA Institute to investment and financial professionals.

The CFA Program is designed to equip you with the kind of expertise and real-world skills in investment analysis that will help you advance your career.

The program teaches a wide range of subjects relating to advanced investment analysis. A candidate who successfully completes the program and meets other professional requirements is awarded the "CFA Charter".

1 Instant Credibility and Industry Respect

CFA is known to be the most prestigious and valued qualification in the finance and investment industry.

2 Networking Opportunities for a Faster Career Growth

Join more than 170,000 professionals who have been recognized globally for their commitment to ethics and professionalism.

3 Better Job Prospects At The Top Investment Firms

CFA Charterholder occupy a range of investment decision-making roles, typically as a research analyst or portfolio manager.

4 Attractive Pay Packages

The CFA[®] designation is a mark of distinction, and investment firms know it represents a higher standard. Hence, the pay packages are extremely attractive.

Who Should Pursue CFA[®]?

MBA Aspirants:
CFA significantly boosts your chances of selection at elite B-Schools like IIMs, ISB, and more securing preferred roles in finance.

Core Finance Aspirants:
For those looking to target core finance roles in Investment Banking, Equity Research, or Portfolio Management via CFA Charter.

Early Career Aspirants:
For students looking to start working right after graduation, equipped with CFA Level 1 and financial modelling skill.

What I like most about Proschool is that they never make students feel ignored; instead, they offer help and motivation to support our learning.

Freshers

Demand is universal, and includes roles in corporate finance across all industries, as well as BFSI-specific roles in Research Firms, Banks, Insurance Companies, & Credit Rating Agencies

Experienced Individuals

Typical roles include Investment Banking Associate, M&A Associate, Research Analyst, Corporate Finance Manager etc.

My experience with Proschool has been great. The faculty and staff are kind and understanding, and the classes are engaging and informative.
